**SOLLMANN  
ELECTRIC**

INDUSTRIAL • COMMERCIAL • RESIDENTIAL

**Project Manager / Estimator Needed!**

**Join our Winning Team Today!**

Sollmann Electric Co. is looking for a Project Manager/Estimator to join our winning team! Sollmann Electric provides a very competitive salary and great benefits!

A Project Manager/Estimator will: Prepare and complete estimates for assigned project(s) ranging in size and complexity from small to large. Review proposal specifications, drawings, attend pre-bid meetings, etc. to determine scope of work and required contents of estimate. Coordinate the identification of items and information needed for bid preparation. Utilize computerized estimation software and follow the company's "Estimate Procedures Checklist". Follow awarded contracts as assigned potentially estimating extra work items, change orders, credits, procuring material, etc., and overall management direction for field projects. Review and analyze task code reports of actual cost vs. estimated cost and assume additional responsibilities per supervisor direction. The ideal candidate will be a business-oriented person with superior communication and interpersonal skills (tact, diplomacy, influence, etc.) and an interest and ability to estimate all types of projects/contracts.

**Experience/Certification Required:** Educational and experience requirements include: 4-year degree in electrical technology or electrical engineering; or completion of a qualified electrician apprenticeship program; or equivalent training and/or experience (5-10 years). Ability to coordinate and supervise a group work effort. Computer literacy is required and CAD experience is preferred.

**How To Apply:** Apply in person at Sollmann Electric Co., 310 E. Russell Road, Sidney, OH 45365, Monday-Friday, 8:00 am-4:00 pm or send resumes to [cgallimore@sollmannelectric.com](mailto:cgallimore@sollmannelectric.com) or by mail to 310 E. Russell Road, Sidney, OH 45365. You may call for additional information at 937-492-0346

## About SugarCreek

SugarCreek is one of the nation's pre-eminent food manufacturers. We process and co-pack products for more than 50 of the nation's largest and best-known food companies and food retailers.

With six major manufacturing facilities, SugarCreek is in a period of aggressive growth. That's not a new thing for our company, as you could make the same observation of almost any period in the years since we were founded in 1966.

We are a privately held company with second-generation ownership, and a third generation has already moved into senior management.

For 50 years, SugarCreek has been in the business of developing strengths and promoting excellence, whether it came from inside the company or outside. We are a company committed to quality, safety, sustainability, and building ties within the community and the industry.

### Apprenticeship Opportunities

#### Roofers

##### Roofer Apprenticeships

Roofers are craftsmen who specialize in putting roofs on buildings and other structures to make them waterproof and weatherproof.

They apply composition shingles, wood shingles, tile slate, and composition roofs, which consist of numerous layers of saturated felt cemented together with asphalt or pitch, and sometimes surfaced with chips of marble, plus many types of EPDM & single ply roofs.

They now use modern equipment to handle their materials, which has lessened the physical exertion that was formerly required. Roofers are also called upon to waterproof and damp-proof walls and other building surfaces.

##### You must:

- Be at least 18 years of age
- Have an education level of eighth grade or the equivalent
- Be physically able to perform the work of the trade

##### What are the program specifics?

- Length is approximately four years
- Minimum hours of related classroom instruction is 288 hours total
- Program administered by a Joint Apprenticeship Committee
- Apprentices are placed with a roofing contractor to receive on-the-job training hours
- Applications are taken on a year-around basis

##### Where do I apply or receive additional training?

Contact:  
 Bob Pope or John Hayes  
 6550 Poe Ave.  
 Dayton, Ohio 45414  
 (937) 415-3869  
 rjac@assnsoffice.com

#### Sheet Metal

##### Sheet Metal Apprenticeships

A sheet metal worker fabricates and/or installs a variety of sheet metal products ranging from heating and ventilating ductwork, architectural products on the exterior and interior of buildings, machinery, guards, enclosures, and stainless steel kitchen equipment.

The highly skilled sheet metal worker is required to read and interpret blueprints, perform layouts using mathematics and geometry, form and assemble sheet metal products using a variety of seams, including welding, riveting and soldering. The sheet metal worker learns to use a wide variety of raw materials to complete the job.

##### You must:

- Be at least 18 years of age
- Possess a High School Diploma, With Official Transcripts Score's or GED Certificate With Test Scores

##### How do I prepare for the trade?

- It will be helpful to have completed courses in or possess the following skills:
  - Good work ethics
  - Mechanical drawing and blueprint reading
  - Mathematics - including geometry, algebra and basic trigonometry
  - Welding
  - Problem solving skills

##### What are the program specifics?

- Length of the program is 5 years
- A minimum of 144 hours of related classroom instruction per year
- Starting pay is currently 47.5% of journeyman's rate plus fringe benefits
- Apply the last Thursday of every month - 9:00 a.m. till 3:00 p.m.

##### Where do I apply or receive additional information?
