

CITY OF PIQUA, OHIO

ADDENDUM No. 1 TO IFB # 1828

Roof Repairs for Mote Park Building
Dated: August 17, 2018

The City of Piqua has updated the scope of work for this project. Please note the following changes:

- The thickness of the replacement insulation is to be no less than ½” thickness.
- The contractor shall include allowance to remove 1,500 square feet of wet or damaged insulation and replace with equal thickness of like material.
- Contractor shall include a unit square footage unit price for any additional material that would exceed 1,500 square feet.
- The price will include the lower section of the roof only. The upper region approximately 68’-0” x 44’-0” will not be performed at this time.
