ADJOURNMENT
PLANNING COMMISSION MINUTES
CITY OF PIQUA, OHIO
6:00 P.M. - TUESDAY, AUGUST 13, 2019
MUNICIPAL GOVERNMENT COMPLEX
ADMINISTRATIVE CONFERENCE ROOM - 201 W. WATER STREET

CALL TO ORDER
At 6:00pm Chairman Oda called the meeting to order and welcomed all in attendance. Mr. Oda outlined the order of business and procedures that will be followed by the Planning Commission.

ROLL CALL
Members Present: Gary Koenig, Jim Oda, Cindy Pearson, Stu Shear
Members Absent: Joe Wilson

MEETING MINUTES
The minutes of June 11, 2019 Planning Commission Meeting were approved 4-0 by voice vote.

NEW BUSINESS
Resolution PC 8-19
A Resolution to consider a zoning change of the address 620 South Main Street, Parcel Number N44-010310 from R1 One Family Residential to R2 Multi Family Residential.

Mr. Schmiesing provided a zoning map to add to the record showing the current zoning designation of the property as well as to identify the surrounding zoning. The map indicates that the surrounding lots offer a variety of zoning designation, including R1 one family, R2 multi-family, and B business. The origin of the agenda item arose from an inquiry from a financial institution during the potential sale of this property. The financial institution received a letter from the Planning and Zoning office stating that the pre-existing use of the property is of legal use as it currently stands; however, if the property were to be destroyed, the multi-family use would be required to be reviewed as a special use by the Planning Commission. When the letter was not accepted, the applicant requested the rezoning of the property. There was no concern from staff on this change.

Leanne Smith, applicant and owner - 27 Marymont Dr, Piqua, came forward and stated that she is the current owner of the property and explained how the situation arose. She noted that the property has been of multi-family use for many years and that she had no issues with the zoning or appraisal in her purchase of the property. She also mentioned that the original sale fell through; however, there is new interest and she wishes to move forward with rezoning for the future sale of the property.

No additional comments were made at this time.

Stu Shear motioned to approve Resolution PC 8-19 and Cindy Pearson seconded. Resolution PC 8-19 was approved as a recommendation from the
Planning Commission by a 4-0 roll call vote. This item will be on the September 3, 2019 City Commission agenda.

Resolution PC 9-19

A Resolution to consider a replat of inlot 7682 located in the Deerfield subdivision, section 4.

Staff noted that this request is in preparation of vacating a tract of land with the intent of selling what is remaining. There is no objection from staff to move forward as this process will keep what is remaining intact for future development to take place. It will also make the process easier for the current owner to seek purchase interest.

No one stepped forward and no additional comments were made at this time.

Gary Koenig motioned to approve Resolution PC 9-19 and Cindy Pearson seconded. Resolution PC 9-19 was approved by a 4-0 roll call vote.

Resolution PC 10-19

A Resolution to consider a replat of inlot 7682 located East of Bear Run and West of Deerwood Drive located in the Deerfield subdivision.

Mr. Schmiesing referred to the provided subdivision visual and clarified to the commission that the gap will be replatted to connect with the existing lots that are to the East of Deerwood Drive.

Concern was expressed about easement location and access to the easement between the lots if the replat were to be approved. It was confirmed that the easement will move along with the property line.

No one stepped forward and no additional comments were made at this time.

Stu Shear motioned to approve Resolution PC 10-19 and Cindy Pearson seconded. Resolution PC 10-19 was approved by a 4-0 roll call vote.

Resolution PC 11-19 (Amended)

A Resolution to consider the special use of an accessory structure at the address 900 Willard Street, Parcel Number N44-0411B0, zoned R1 One Family Residential.

The request was explained by Mr. Schmiesing to have come from a property maintenance issue with the principal structure. The property is currently appendng action of demolition. The current code states that if the principal structure is demolished, the accessory structure must also be taken down. This process has historically helped with
eliminating abandonment. In this particular case, the owner has requested that the accessory structure be allowed to remain with a special use provision although there will be no principal structure on the lot. Mr. Schmiesing added the property violation notice photos to the record to show the condition of the primary structure as well as the current state of the garage. Staff concern is that in similar situations, garages have been abandoned or rented out to those who do not have ownership interest. Renting for storage use could technically be considered a self-storage facility and of commercial use. Mr. Schmiesing also provided a snapshot to show lot location.

Planning Commission questioned if there is any intention to rebuild a primary structure onto the lot.

Steve Hetzler, owner and applicant - 1557 Kirkwood, Sidney, came forward and stated that he plans to bring the garage up to code standards. He stated that the structure would be used strictly as storage and that he is ready to have contractors begin the work if the item is approved. The plans at this time are to demolish the primary structure rather than correct the identified issues.

John Martin, Commissioner of Ward 1 - 301 Cleveland St, Piqua, came forward and stated his opinion that if the structure is not deficient, it should be allowed to stay. He asked for clarification on special use code language and the meaning of non-standard lots. Staff and Planning Commission provided answers to his code questions.

The Planning Commission discussed that if the accessory structure were approved to remain with a special use provision, it would be required to be brought up to code and remain in good condition. The code violation notice process and timeframe were discussed. The resolution wording was noted to have a typographical error and was clarified that it should be written as: “the special use of an accessory structure at the address 900 Willard Street, Parcel Number N44-041180, zoned R1 One Family Residential.”

Stu Shear motioned to amend Resolution PC 11-19 to read: “the special use of an accessory structure at the address 900 Willard Street, Parcel Number N44-041180, zoned R1 One Family Residential” and Cindy Pearson moved to adopt the amended resolution.

Stu Shear motioned to approve the amended Resolution PC 11-19 and Cindy Pearson seconded. Amended resolution PC 11-19 was approved by a 4-0 roll call vote.

OTHER BUSINESS

No other business at this time.

ADJOURNMENT
With no other questions, comments or business before the Planning Commission, a motion was made by Mr. Shear and seconded by Mrs. Pearson to adjourn the meeting. With all those present in support of the motion the meeting was adjourned at approximately 7:12 P.M.

Attending the meeting to prepare the meeting minutes provided herein was Bethany Harp, Administrative Assistant, City of Piqua Development Department. Comments requesting corrections, additions or deletions to the content of this record should be directed to Ms. Harp at bharp@piquaoh.org.
RESOLUTION No. PC 12-19

WHEREAS, the City Commission, has submitted a request to amend the zoning chapter of the codified ordinances to modify code provisions pertaining to minimum permit requirements and restoration standards for demolition projects as further described by exhibit 'A'; and,

WHEREAS, sections 154.141 of the City of Piqua Code of Ordinances provides the procedure for considering an amendment to the zoning code; and,

WHEREAS, the Planning Commission has studied the request and conducted a public hearing on the matter;

NOW THEREFORE BE IT RESOLVED, board member ____________ hereby moves to approve the request made, as described by this resolution, the testimony provided, and the documents attached hereto as Exhibit 'A', the motion is seconded by board member ____________, and the voting record on this motion is hereby recorded as follows.

§ 154.127 DEMOLITION STANDARDS; PERMIT REQUIREMENT.

This section shall explain the applicable standards for demolition work and the procedure, process, and requirements to obtain a demolition permit within the city.

(A) Downtown Historic District. Demolitions within the Downtown Historic District requires an approved certificate of appropriateness. Said certificate of appropriateness shall be issued in compliance with §§ 152.01 through 152.08 prior to the commencement of any demolition within the Downtown Historic District for which a demolition permit issued in accordance with this section is still necessary.

(B) Demolition Permit Required. A demolition permit issued by the enforcing official shall be required for every demolition of any structure in excess of 200 square feet in area. Every application for a demolition permit shall include reasons for demolition, a site plan and such other documentation as may be necessary.

(1) Site Plan. A site plan, containing the following information at a minimum, shall be provided:

(a) The location and dimensions of all structures on the lot.

(b) Property boundaries and dimensions, including distances from other structures and or lot lines to the structure or structures to be demolished.

(c) Prominent natural features, landscaping, or other physical improvements found on the lot.

(d) Planned staging areas, equipment parking, and or dumpster locations.

(e) The location of all utilities and the disconnection and disposition thereof.

(f) An explanation of the purpose for the demolition project and a statement regarding the intended use of the vacated site.

(g) The natural features, landscaping, structures, or other physical improvements to be demolished and the intended clean-up and restoration of the site, including but not limited to the work items required to satisfy the following minimum demolition and restoration standards:

1. The demolition and excavation of all footers, foundations, slabs, service sidewalks, and improvements incidental to the building being demolished; and the demolition and excavation of all footers, foundations, slabs, service sidewalks, and improvements incidental to any buildings accessory to the building being demolished.

2. Placement of compacted backfill in openings or excavations and grading thereof to match the existing surrounding surface contours.

3. Placement of six inches of topsoil over all backfilled or disturbed areas.

4. Placement of grass seed and mulching over all backfilled or disturbed areas covered with topsoil.
EXHIBIT A

5. Placement of erosion control as deemed necessary by the enforcing official.

6. Placement of fence and or any other safety precautions deemed necessary by the enforcing official.

(h) The disposal location for the demolition debris.

(2) Permit application. A permit application or other supporting documentation, containing the following information at a minimum, shall be provided:

(a) Anticipated start date and completion date for the demolition activity.

(b) Evidence that all taxes and utility bills are paid in full, as deemed necessary by the enforcing official.

(c) Any other information that is deemed necessary by the enforcing official to completely explain the proposed demolition.

(d) A photographic record of each elevation of the building or buildings to be demolished.

(e) A special use permit, issued in accordance with §§ 154.063 and 154.064, for any structure (or structures) to remain on the lot, when the subject structure (or structures) to remain on the lot is a nonconforming use, or if the demolition activity will cause the subject structure (or structures) to remain on the lot to become a nonconforming use.

(3) License and Bond or Other Surety. Prior to the issuance of a demolition permit, the owner, agent or person with control of the property subject to demolition shall execute a license provided by the city, granting to the city the right to enter the property. The license shall permit the city to correct or eliminate any unsafe condition or conditions at the demolition site before, during and after the demolition. The license granted by the applicant shall further provide that the city shall have the sole right to determine if a condition or conditions are unsafe. The license shall further include an agreement providing that the owner, agent or person with control of the property subject to demolition shall indemnify the city for its cost to correct or eliminate the unsafe condition or conditions. The agreement shall provide that the indemnification may be from the performance bond, cash deposit or other surety the owner, agent or person with control of the property subject to demolition shall post with the city to assure the city that the demolition work will proceed as permitted. The value of the surety shall not exceed the cost associated with the demolition and site restoration, as determined by a detailed estimate to be provided by the owner, agent or person with control of the property subject to demolition, provided the enforcing official finds the estimate to be a reasonable estimation of the gross costs anticipated to complete the demolition and restoration project. The terms of the surety shall provide that the city may retain or claim the surety proceeds if the permit holder fails to perform the demolition or restoration activities in accordance with the permit granted. The value of the surety may be reduced during the course of the demolition work, at the sole discretion of the enforcing official, if, in the estimation of the enforcing official, sufficient surety remains to assure completion of the demolition and site restoration activity.

(4) Other approvals or regulations. Other regulatory agency approvals necessary prior to the issuance of a demolition permit by the city, or the regulations of other agencies which are
EXHIBIT A

applicable and to be adhered to during the completion of any demolition work includes but are not limited to those of the Ohio Environmental Protection Agency, Regional Air Pollution Control Authority, Department of Health, Department of Public Works, and the like.

(5) Permit expiration. Any demolition permit issued under this section shall expire 30 days from the date of issuance if the demolition has not commenced; or if demolition has commenced and the work is delayed for a period of more than ten consecutive days and the enforcing official determines that the delays were unnecessary, or if demolition has commenced and the work continues for a period of more than 30 consecutive days beyond the anticipated completion date indicated on the permit application, or upon completion of the demolition work in accordance with the permit issued. The enforcing official may authorize one or more extensions of the permit provided the enforcing official determines that the owner, agent or person with control of the property subject to demolition has demonstrated the ability to complete the work in a timely and workmanlike manner.

(Ord. 42-96, passed 9-17-96; Am. Ord. 19-08, passed 7-21-08) Penalty, see § 154.999
RESOLUTION No. PC 13-19

WHEREAS, Michael Harwood, Applicant and Project Manager for Hartzell Industries, has submitted a request to vacate a portion of platted public right of way known as the alley passing through parcels N44-099860, N44-047300, N44-047320 and N44-092240, and,

WHEREAS, the City of Piqua City Commission has declared their intent to consider the vacation of the subject right of way and referred the item to the Planning Commission for study and a recommendation; and,

WHEREAS, section 98 of the Piqua Charter provides the procedure for considering a right of way vacation request; and,

WHEREAS, the Planning Commission has studied the request, conducted a public hearing on the matter, and has established as fact that the portion of public right of way proposed for vacation:

☐ Is unimproved and does not provide essential access to surrounding properties

☐ Is unoccupied by public utilities or other uses commonly located within public right of way

☐ Is not identified on any transportation plan indicating the right of way is or will be necessary

☐ Is not essential to any existing or future development or use of the surrounding properties

NOW THEREFORE BE IT RESOLVED, board member ____________ hereby moves to approve the request, as described by this resolution, the testimony provided, and the documents attached hereto, the motion is seconded by board member ____________, and the voting record on this motion is hereby recorded as follows.

Receipt No.  22 8799  Res. No.  
RESOLUTION NO. R-75-19

A RESOLUTION OF INTENT TO VACATE
PUBLIC RIGHT-OF-WAY

WHEREAS, pursuant to Piqua Charter Section 98, this Commission must adopt
a resolution expressing its intention to vacate platted right-of-way located prior to such
action being considered; and,

WHEREAS, a petition requesting the vacation of a portion of platted public right
of way known as an alley located east of Roosevelt and north of Electric Avenue, as
described in Exhibit "A" attached hereto, has been filed with the Clerk of Commission;

NOW, THEREFORE, BE IT RESOLVED by the Commission of the City of Piqua,
Miami County, Ohio, the majority of all members elected thereto concurring, that:

SEC. 1: This Commission hereby intends to vacate a portion of platted public
right of way known as an alley located east of Roosevelt Avenue and north of Electric
Avenue, as described in Exhibit "A" attached hereto. The City Manager or his duly
authorized representative is hereby directed to cause notice of this Resolution to be
served by certified mail upon all persons whose property abuts said tract. Said notice
shall state the time and place at which objections can be heard by the Planning
Commission.

SEC. 2: This Resolution shall take effect and be in force from and after the
earliest period allowed by law.

PASSED: 8/20/19

KATHRYN B. HINDS, MAYOR

ATTEST: KAREN S. JENKINS
CLERK OF COMMISSION

The Motion to adopt the foregoing Resolution was offered by Commissioner Grissom
seconded by Commissioner Lee and on roll call the following vote ensued:

Mayor Kathryn B. Hinds AYE
Commissioner John Martin AYE
Commissioner William Vogt AYE
Commissioner Kris Lee AYE
Commissioner Chris Grissom AYE

I, the undersigned Clerk of the City Commission of the
City of Piqua, Ohio do hereby certify that the above
Resolution is a true, accurate and
correct copy of R-75-19
passed by the Commission of the City of Piqua, Ohio, on
the 20th day of August, 2019.
