May 21, 2020

Piqua Utility Customers:

Piqua City Commission has made the decision to reinstate the electric service shut-offs effective June 23, 2020 according to your billing zone for any accounts not paid at that time. Those customers within Utility Zone 3, which will be billed on May 30th, will face shut-off on June 23rd if not paid. All billings going forward will have the shut-off date on the bill.

Now that businesses have reopened, it is time to resume collections to ensure the electric fund has sufficient funding to provide operations and service. Although the State of Ohio's directive on water shut-offs remain in effect, once the restriction is lifted, water shutoffs will also resume. The City of Piqua was not required to suspend electric service shut-offs, but voluntarily initiated the shut-off restriction to help Piqua customers.

Customers can contact the Utility Billing Office at 937-778-2000 to make payment plan arrangements.

The following chart provides the schedule for electric service and other utility billings:

<u>Billing Date</u>	<u>Payment Due Date</u>	<u>Shut-Off Date</u>
May 30 th	June 10 th	June 23 rd
June 10 th	June 20 th	July 7 th
June 20 th	June 30 th	July 14 th
