# SIDEWALK, CURB OR CURB CUT PERMIT APPLICATION

## Work Zone Requirements

All requests for a Sidewalk and Curb Permit shall have a site plan attached showing the areas to be blocked or closed to the public and the signage, cones and/or barricades to be used.

All work zone set-ups within the City of Piqua street right-of-way shall comply with the requirements as set forth in the current Ohio Manual of Uniform Traffic Control Devices, OMUTCD.

The following are examples of approved cones, drums and barricades to be used.

\* Warning Lights (Optional)

The Sides of Barricades Facing Traffic Shall Have Retroreflective Rail Faces
