

WHO MUST FILE	<p>Residents: All residents (including part-year residents) of the City of Piqua who are 18 years of age and older are required to file an annual income tax return. A return is required regardless of income or employment status. Active duty military personnel, unemployed persons, or other persons with no reportable income or loss for the current year are also subject to the mandatory filing requirements and must file a city tax return each year.</p> <p>Non-Residents: Non-residents of Piqua who have taxable income or loss, earned or derived from within the City, from which Piqua tax was not withheld, must file a return.</p> <p>Part Year Residents: If you only lived in Piqua during part of the taxable year, you must file a return covering that time. You must calculate both your tax liability and tax credit only on the portion of your income earned as a Piqua resident. Income earned in Piqua may NOT be pro-rated. Pay statements with year-to-date figures must be used if available. If actual records are not available, you may break down your earnings by the number of months employed at the job to determine your monthly earnings. This figure may then be multiplied by the number of months you lived in Piqua to determine your Piqua taxable income. If you pro-rate your taxable income, you must also pro-rate your city tax that was withheld on the same income. Attach a worksheet explaining your calculations.</p> <p>C-Corporations: C-Corporations are required to file as entities on the net profit or loss derived from sales made, work done, services performed or rendered and business or other activities conducted in Piqua, whether or not such corporation has a place of business in Piqua.</p> <p>S-Corporations: S-Corporations are required to file as entities on the net profit or loss derived from sales made, work done, services performed or rendered and business or other activities conducted in Piqua, whether or not such corporation has a place of business in Piqua. Shareholders may not include net income/losses on their individual returns.</p> <p>Partnerships: Partnerships are required to file as entities on the net profit or loss derived from sales made, work done, services performed or rendered and business or other activities conducted in Piqua, whether or not such partnership has a place of business in Piqua. Non-resident partners may not include any gain or loss on their individual returns.</p> <p>LLC(s): A limited liability company is required to file consistent with its federal filing status. For example, if the LLC is recognized as a partnership at the federal level, it should file as a partnership at the local level. Single member LLC's that report net profit or loss on Federal Form 1040, Schedule C should file as an individual taxpayer at the local level.</p> <p>Miscellaneous Entities: Any undertaking, not specifically defined above, conducting activities or producing income, including but not limited to, rental of real estate and personal property, and a business conducted by a trust or guardianship of an estate that produces a net profit shall be subject to city income tax and is required to file a return as an entity.</p>
EXEMPTIONS TO MANDATORY FILING	<p>Permanently retired or permanently disabled persons with only non-taxable sources of income or loss (such as social security, pensions, interest, and dividends) may file for a permanent exemption from the mandatory filing requirement by submitting the Income Tax Certification Form of Exemption. DUE DATE	<p>Calendar Year Tax Returns are due on or before APRIL 18, 2022. Fiscal year returns are due on the 15th day of the fourth month after the close of the period. Returns should be mailed to: Piqua Income Tax Department, P.O. Box 1223, Piqua, OH 45356.</p>

A copy of an approved federal extension MUST be attached to your return at the time of filing. An extension of time to file, is NOT an extension of time to pay taxes due. Penalty and interest charges will apply to all payments received after the return due date.</p>
ESTIMATED TAX	<p>Taxpayers who anticipate a net tax liability of \$200.00 or more are required under Ohio law to make estimated tax payments. Quarterly estimated tax payments are due on April 15, June 15, September 15, and January 15 for individuals and December 15 for businesses. Estimated tax payment vouchers (PQ-1) are available on our website.</p>

Your work, while done remotely, is still the result of your employment at a company within the City of Piqua and therefore, you are subject to municipal taxation.</p>
