GENERAL INSTRUCTIONS FOR REFUND REQUEST FORM

This form is for use by individuals claiming a refund of city tax withheld in excess of their liability. Indicate the calendar year for which the refund is claimed. If the individual has other income, the standard city income tax return must also be used. If a refund is claimed for tax withheld by more than one employer, a separate refund request must be completed for each employer. All forms must be submitted together.

The completed form plus all attachments (W-2's, computation worksheets, travel logs, etc.) is to be submitted to the City of Piqua Income Tax Department at the address shown on the front of this form. Note: missing or incorrect information will delay your refund. Allow 90 days for the processing of this claim form.

1. **BASIS FOR REFUND:** A brief but complete explanation by the Applicant is required concerning the reason for the overpayment. Explain method of calculation and show computations used to determine the amount of taxable city income. If job duties require travel to different work sites to perform work, **you must provide a list of dates and location of city or cities worked.** Seminars, meetings and training sessions, although they may be outside the city, do not constitute a change in work sites and cannot be deducted as travel days. See Part C below for calculating travel day deduction.
2. Refund Calculation is based on your gross compensation (including any deferred income), less commissions and severance pay. A copy of the W-2 and year-end paystub must be attached.
3. The average working year consists of 260 days (Saturdays and Sundays are not typically considered working days). If you were not employed for the full year, or were a part-time employee, or worked weekends, you must adjust your Total Days available accordingly. Provide a written explanation and attach.
4. No refund of less than ten dollars (\$10.00) will be made.
5. Refund requests will not be honored beyond three years from the date the original tax return was due.
6. Part B, Certification of Employer must be completed by an authorized official of the employer. No person claiming a refund may certify their own refund request, or have the certification completed by a subordinate employee.
7. Please allow ninety days for the processing of your refund request. Note: Incomplete claims cannot be approved or processed and will be returned to the applicant.

PART C To be completed only by non-residents claiming a refund of city tax withheld in excess of actual liability.

Compute the amount to be entered as taxable city income by multiplying the total compensation by the ratio of actual days worked.

- A. TOTAL DAYS AVAILABLE (260 standard, see instructions above for employment less than one full year) _____
- B. LESS: DAYS WORKED OUT OF TOWN (Attach Log) _____
- C. DAYS ON THE JOB IN PIQUA (A minus B) _____

COMPUTATION:

$$\frac{\text{Line C}}{\text{Line A}} \times \text{Total Wages} = \$ \text{Total Piqua Taxable Income}$$

Transfer the amount of Taxable City Income to Part A, Line A on the front of this form and complete calculations.

Front and Back of form must be completed and signed to receive a refund.
