

## PIQUA CARES—LITTER PREVENTION

Litter is a costly problem that we all end up paying to clean up. Litter can cause injury to wildlife, is a threat to human health, and is aesthetically displeasing.

### Primary Sources of Litter:

- Household trash at the curbside
- Dumpsters used by businesses
- Loading Docks
- Construction & demolition sites
- Uncovered trucks
- Motorists
- Pedestrians

### What You Can Do:

- Securely cover trash containers
- Carry a litter bag in your car
- Cover & secure loads on vehicles
- When visiting parks, leave the area clean for the next person to enjoy
- Keep storage bins & dumpsters near loading docks
- *Set an example for others by not littering!*
