ITEM NO. 3: Report from Golf Professional Chip Fox

Chip Fox made aware that the golf rates for 2016 will remain the same. However, due to higher costs of chemicals and the purchase of equipment needed, the process for raising the 2017 golf rates should start now. During the next few months the Golf Board will look at area golf courses to get a feel for what the new 2017 rates will be.

ITEM NO. 4: Other Business

During our last meeting, JD Denson brought up the possibility of using a coyote decoy to help with the geese problem on the golf course. We will order a pack of five to try and see how they work. The cost of a five pack is \$229.
