ITEM NO. 3: BRIAN BROOKHART'S REPORT

- 1.) Brian presented the new park building rental fees to the City Commission, it will require three readings.
- 2.) Cathy Oda will talk to Jeanne Bates about having the house at the Hollow Park grounds reappraised.
- 3.) The mulch for Kiwanis Park has been ordered for later delivery at a quantity of 350 yds. for \$6,499.50.
- 4.) No word from Dayton Dragons about tickets for this year.
- 5.) No pads for the new football bleachers will be poured until the bleachers are delivered.
- 6.) Brian reported the new machine to make new signs for the parks is working and employees are learning the way to produce the signs.

ITEM NO. 4: OTHER BUSINESS

- 1.) The group discussed the youth sports groups and how the city should set forth the rules and see they are followed. Also, the members asked Brian to investigate if the city has any liability for the group's actions and what proof is there that they are covered by liability insurance.
- 2.) The members talked about the need to raise more funds for the parks. First, the residents need to be made aware of the need and how the fund could be raised. If we need to pass a levy we would definitely have to have a group like the one that managed the drive for the police and fireman levy. The biggest hurdle is to reach the residents because so few get the newspaper or channel 5.
