

**TREE COMMITTEE MEETING MINUTES  
CITY OF PIQUA, OHIO  
THURSDAY, NOVEMBER 1, 2012 – 6:30 P.M.  
MUNICIPAL GOVERNMENT COMPLEX – TRIANGLE CONFERENCE ROOM**

MEMBERS PRESENT: Larkin Cornett, Regina Favorite, Steve Trostel, and Brenda Vetter

MEMBERS ABSENT: Don Ruffner, and Judy Terry

STAFF PRESENT: Bob Graeser

**MEETING MINUTES**

Steve Trostel moved to approve the October 4, 2012 meeting minutes and Brenda Vetter seconded the motion.

**ITEM NO. 1 ST RT 36 BEAUTIFACATON PROJECT**

Bob Graeser described the project to the committee. The expectation is that the project will bring enhancement, as well as, a step in the right direction in promoting more economic development to our community. Bob showed that the project would use a combination of ground cover and trees with bio-retention areas to enhance the area, and in turn satisfy its “Green” initiatives at the same time.

The design is to welcome travelers into our community and at the same time using street claiming effects to reduce the traffic speeds. The area will be tastefully marked with way finding signage as well. The Tree Committee will be involved when the landscape architect makes the tree selections for this area for them to review.

**ADJOURN**

Motion was made to adjourn the meeting by Steve Trosel and seconded by Brenda Vetter.

Next meeting will be Thursday, January 3, 2013

Minutes prepared by Bob Graeser, Staff Secretary.
