Sollmann Electric is looking for a Project Manager/Estimator to join our winning team! Sollmann Electric provides a very competitive salary and great benefits.

A Project Manager/Estimator will: Prepare and complete estimates for assigned project(s) ranging in size and complexity from small to large. Review proposal specifications, drawings, attend pre-bid meetings, etc. to determine scope of work and required contents of estimate. Coordinate the identification of items and information needed for bid preparation. Utilize computerized estimation software and follow the company’s “Estimate Procedures Checklist”. Follow awarded contracts as assigned potentially estimating extra work items, change orders, credits, procuring material, etc., and overall management direction for field projects. Review and analyze task code reports of actual cost vs. estimated cost and assume additional responsibilities per supervisor direction. The ideal candidate will be a business-oriented person with superior communication and interpersonal skills (fact, diplomacy, influence, etc.) and an interest and ability to estimate all types of projects/contracts.

Experience/Certification Required: Educational and experience requirements include: 4-year degree in electrical technology or electrical engineering; or completion of a qualified electrician apprenticeship program; or equivalent training and/or experience (5-10 years). Ability to coordinate and supervise a group work effort. Computer literacy is required and CAD experience is preferred.

Plumber / Pipefitter / Refrigeration Apprenticeships

A plumber/pipe fitter installs, maintains, repairs and tests many different types of pipe systems. These skilled workers install pipe systems that carry water, waste drainage, steam, air, or other liquids or gases needed for sanitation, industrial production, medical or other uses. They also alter or repair existing pipe systems and install plumbing fixtures, appliances and heating and refrigeration units.

Work may be indoor or outdoor in all weather; in high places or in trenches. Plumbers and pipe fitters require physical stamina because of frequent heavy lifting and being on one’s feet for long periods of time.

You must:
• Be at least 17 years of age
• Possess a High School diploma or GED Certificate
• Have an official high school transcript
• Complete a trade related aptitude test
• Have a valid Ohio driver’s license

How do I prepare for the trade?
It will be helpful to have completed courses in or possess the following skills:

Good reading ability
• General math, algebra, geometry
• General science, chemistry and physics
• Blueprint reading and mechanical drawing
• Welding, metal and machine shop
• Good work ethics
• Good attendance

What are the program specifics?
• Length of the program is 5 years
• Probationary period is 1 year
• Minimum of 168 hours of classroom-related training each year
• Minimum of 9000 hours of on-the-job training - 5 years
• Starting pay is 40% of journeyman wage
• Health insurance, pension and annuity

Where do I apply or receive additional training?

Cement Mason Apprenticeships

Cement Masons finish the exposed concrete surfaces of freshly poured floors, walls, sidewalks, foundations, dams, parking garages, runways, warehouses, loading docks, roads and curbs to specified texture finishes.

They level, shape and smooth surfaces using straight edges or power screeds. Most of the work is in industrial and commercial buildings. Cement Masons must know the working characteristics of various cement and concrete mixes.

You must:
• Be at least 18 years of age
• Possess a High School diploma or GED
• Have a valid drivers license and reliable transportation
• Complete a trade related aptitude test

How do I prepare for the trade? The following will be helpful:
• Good work ethics and attendance
• Willing to do physical work
• Good math and reading skills
• Willing to work outdoors

What are the program specifics?
• Length of program is 3 years
• Probationary period is 180 days
• Minimum of 144 hours classroom related training each year
• Starting pay is 55% of journeyman wages
