Reminder Playgrounds and Piqua Skate Park Are Closed During the Stay-at-Home Order.

Piqua, Ohio – During the next 30 days it is important that we practice excellent social distancing and remain alert to the Stay-at-Home Order to slow the spread of COVID-19. During this time Governor DeWine and Dr. Amy Acton have ordered that all parks can remain open but playgrounds should be closed, this includes the Piqua Skate Park.

The following protocols have been taken to enforce these Orders:

- Playgrounds have been taped off
- Signs have been posted at all City playgrounds
- Basketball rims have been removed at Fountain and Mote Parks

The Piqua Police Department will not be guarding these playground areas. It is expected that parents use good judgement to not allow their children to play on these playground areas and practice excellent social distancing.
