

<b>PURPOSE OF A RESIDENTIAL CONSTRUCTION PERMIT</b>
---

Information from this permit application will be used to determine whether a project meets all applicable legal requirements of the city, including the zoning code. Several City departments will review this application and ensure that legal requirements have been met and this project will coordinate with any improvements planned by the City. This permit should be approved prior to constructing, adding to, moving, altering or remodeling any residential structure. Projects such as constructing a building addition, a garage, paving or laying down gravel, building a porch, among other construction activities, will also require this permit.
