The City of Piqua is encouraging all residents, clubs, civic groups, churches and organizations to participate in the Piqua Community Clean Up Day on Saturday, May 6th, 2017 from 8:30 am until noon. This annual event has been held the last five years and continues to get bigger and better each and every year. Let’s come together and give our public areas a nice spring cleaning!

Groups may choose to clean up their own property or be assigned a public area, such as a park, to clean up. Residents and groups are encouraged to contact Melissa Kinney at 937.778.2060 or via email mkinney@piquaho.org for more information and to register to participate in the Community Clean Up Day.

PIQUA COMMUNITY CLEAN UP DAY MAY 6TH, 2017

DID YOU KNOW? Trash Collection is the 5th most dangerous job in the U.S. The Bureau of Labor Statistics ranks refuse and recyclable material collection as the occupation with the 5th highest fatality rate in the U.S., behind logging workers, fishers, aircraft pilots, and roofers. Data indicates that vehicle accidents and workers being struck by mobile equipment are the leading causes of fatal injury to refuse and recyclable material collectors.

HERE’S WHAT YOU CAN DO TO PREVENT ACCIDENTS AND INJURIES:

1. SLOW DOWN when approaching a garbage truck making its rounds. Stop if necessary to allow workers to do their jobs.
2. LOOK FOR WORKERS before attempting to pass the truck.
3. CHECK FOR TRAFFIC approaching from the opposite direction before proceeding around the truck.
4. AVOID DISTRACTIONS like texting, talking on the cell phone, changing the radio station or programming a GPS system while driving near a garbage truck.

NATIONAL GARBAGE MAN/WOMAN DAY
In Piqua, we are fortunate to have a great group of dedicated, hard-working Sanitation Department Staff. Performing their jobs day in and day out with excellence keeps Piqua safe and clean. Please join with us the week of June 17th, 2017, to celebrate these hard-working women and men for National Garbage Man Day. Show your appreciation by thanking your garbage collection providers. Visit our website for more information @ www.piquaoh.org/City-Departments/Sanitation.

2016 FACTS & FIGURES

HOW MUCH WASTE WAS COLLECTED IN 2016?

TRASH 7623 TONS
RECYCLING 1462 TONS
